Diversification opportunities

The growing number and value across an increasing range of asset classes provides opportunity to diversify portfolios with actively managed LICs and LITs

LIC/LIT split by asset class #s - Jun20

The Listed Investment Companies and Trusts Association (LICAT) represents the interests of Listed Investment Companies (LICs) and Listed Investment Trusts (LITs) and the investors holding 700,000+ interests in one or more LIC or LIT. The sector has proved popular with investors for over 95 years, providing easy access to professional fund managers who actively manage a range of underlying asset classes which extend from Australian shares to global equities, fixed income, infrastructure and property across a range of investment strategies. The investor base of the sector is made up predominantly of retail investors and SMSF trustees, many of whom are self-directed and who rely upon the investment expertise of the LIC or LIT manager to guide their investments.
